THE JOURNAL OF AGRICULTURAL ENTOMOLOGY

Volume 1 • Number 1 • January 1984

The *Journal of Agricultural Entomology* is published quarterly under the auspices of the South Carolina Entomological Society, Inc. at Clemson, SC. The *Journal* publishes contributions of original research concerning insects and other arthropods of agricultural importance (including those affecting livestock and poultry). The *Journal* is particularly dedicated to the timely publication of articles and notes pertaining to applied entomology, although it will accept suitable contributions of a fundamental nature related to agricultural entomology.

A subscription to the *Journal* automatically accompanies membership in the South Carolina Entomological Society. For information on the *Journal* or Society, contact the Secretary-Treasurer, SCES, P.O. Box 582, Clemson, SC 29633. (See last page of this journal for application form.)

Contributing authors should consult the latest issue of the *Council of Biology Editors (CBE) Style Manual, a Guide for Authors, Editors, and Publishers in the Biological Sciences* and submit an original and three copies of all manuscripts typed double spaced to the Editor, *Journal of Agricultural Entomology*, P.O. Box 582, Clemson, SC 29633. An abstract, 3-10 key words, and a running head must be included with each manuscript. All measurements should be given in metric or in metric and English units. A charge of \$35.00 per page will be made. This is an average figure which includes photographs, simple tables and figures, partial pages, etc. (Complicated or excessive tables, photographs and figures might be subject to a \$5.00 - 20.00/page surcharge. Page charges are subject to change without notice.)

For information on prevailing page charges and charges for immediate publication, advertising rates, cost of reprints, etc., contact the Business Manager.
