THE JOURNAL OF AGRICULTURAL ENTOMOLOGY

Volume 14 • Number 1 • January 1997

The *Journal of Agricultural Entomology* is published quarterly under the auspices of the South Carolina Entomological Society, Inc., at Clemson, SC. The *Journal* publishes contributions of original research concerning insects and other arthropods of agricultural importance (including those affecting humans, livestock, poultry, and wildlife). The *Journal* is particularly dedicated to the timely publication of articles and notes pertaining to applied entomology, although it will accept suitable contributions of a fundamental nature related to agricultural entomology.

A subscription to the *Journal* automatically accompanies membership in the South Carolina Entomological Society. For information on the *Journal* or Society, contact the Secretary-Treasurer, SCES, P.O. Box 582, Clemson, SC 29633-0582.

For guidelines in preparing manuscripts for submission, contributing authors should consult "Instructions for Authors" in the most recently published January issue of *JAE*. Authors should submit an **original and three copies** of their manuscript typed double spaced to Dr. Julie L. Todd/Editor, *Journal of Agricultural Entomology*, Department of Entomology, Iowa State University, Ames, IA 50011-3222. **An abstract, 3-10 key words, and a running head must be included with each manuscript.** All measurements should be given in metric or in metric and English units. A charge of \$45.00 per page will be made; photos, figures, tables, etc. are charged at an additional \$20.00 each. Excessive or complicated tables, sideways tables, oversize figures, or photos may be subject to an additional charge of \$5.00-\$20.00 per page depending on number, length, complexity, etc. Author's alterations on the galley will be charged at the rate of \$2.00 per line. (Page charges are subject to change without notice.)

For more information on prevailing page charges and charges for immediate publication, advertising rates, cost of reprints, etc., contact the Business Manager.
